

BACK AT EDNA BY POPULAR DEMAND!

Last Walk and Roll Day of the year, Thursday May 15th

Let's turn out in BIG numbers, there will be press covering our event.

The kids love walking, biking and carpooling to school together. There will be two Meeting Locations for families who wish to walk or roll (bike and scooter) to school in a group for fun and safety. Parent volunteers will be at the meeting locations to escort everyone who joins them.

Carpooling is encouraged if you can't bike or walk to the Meeting Locations.

Use a meeting location if it is on your way to school:

1. **MV Community Center** parking lot in the far end corner, closest to the bike path leaving at 8:10. (The group crosses E. Blithedale with the crossing guard to the bike path if you'd like to join them there.)
2. **Almonte at Miller.** Meet in the unofficial parking lot behind the bus stop off of Almonte at 8:00. (We will take crosswalk to bike path.) Officer Sheryl Patton, MVPD, will be there as a crossing guard.

If no one is there, do not leave your child. No welcome tables for these events. Volunteers are at the meeting sites.

Walk, Bike or Carpool with family and neighbors.

**It's Fun! It's Healthy!
Less Traffic! Less Pollution!**
