

## Edna Maguire Morning & Afternoon Car Duty 2009-2010

- ✓ **NO CELL PHONE USE WHILE CAR LINE IS ACTIVE**
- ✓ **SLOW DOWN! OBSERVE A 5 MPH SPEED LIMIT IN OUR LOTS**
- ✓ **STUDENTS MUST EXIT ON THE CURB SIDE OF THE VEHICLE**

Dear Parents:

Welcome the first year of our school Morning and Afternoon Car Line Duty! Classes have been assigned to specific weeks for both the morning and afternoon car lines. Since this is our first year having a car line, please be patient as we work out our new system, which is bound to go through some growing pains until we get everything perfect.

Classroom Assignments are located in this packet. Please make a note of your class' weeks so that you'll be ready to pitch in when you're called upon. Prior to your class' week, your room's Classroom Traffic Coordinator will contact you to schedule your particular days. Please understand the importance of each family helping out—even if you are a walker or biker. This spreads the duty out evenly making much less work for all involved.

For safety reasons, younger children/siblings who accompany parent volunteers during car line duty must not assist with opening car doors and should sit on the benches while waiting by the main back parking lot. They should NOT be on the sidewalk where car line is active.

It's because of you, the parent volunteers that we're able to drop our kids off in the morning, and pick them up in car line in the afternoons safely. **Without this system, drop-off and pick-up would not happen.** Thanks in advance for helping us run a very safe and convenient drop-off/pick-up system.

On a broader safety note, please remember to use EXTREME CAUTION while driving in our school lots. Many families are biking and walking to and from school, so pay close attention to all cross walks. Please be courteous to other drivers. Most of us are usually in a hurry, but safety is still our first priority. **DO NOT PARK IN ANY DROP-OFF OR PICK-UP AREAS!** – this means you who believes that “just a moment” won't make a difference. It does. If you drive and want to walk your child to class, please park in the main lot or use Lomita street parking. These are your only options. **DO NOT PARK IN THE FACULTY LOT.** There are now two lanes: a left exit lane only that is marked with distinct white striping and a right lane for drop-off/pick-up only.

Both morning and afternoon car line services depend on your participation. If you find you can't be there on your scheduled day, please find your own replacement ahead of time and inform your room's Traffic Classroom Coordinator ASAP. Thanks again, and welcome back to school!
